RE: Strike 3 Holdings, LLC and General Media Systems, LLC

To J. Curtis Edmondson <jcedmondson@edmolaw.com>

Curtis, we The Town of Camden do not have a business license on file for Strike 3 Holdings LLC, or General Media Systems LLC. We have never had a business license on file for them. They do go through a registered agent by the name of Paracorp aka Parasec at 2140 S Dupont Highway.

Hi Melissa,

I am working on a case in the Western District of Washington (Seattle). The issue is whether Strike 3 Holdings, LLC or General Media Systems, LLC has ever had a business license in Camden, Delaware. The address that I have is 2140 S Dupont Hwy, Camden DE 19934.

These two movie companies (referenced above) produce pornographic films. I am not sure if Camden has a specific business license for this type of activity.

Thank you in advance and any help you can provide with be greatly appreciated.

In Best Regards,

J. Curtis Edmondson, Patent Attorney
